

Commodity Futures Trading Commission

§ 143.8

§ 143.3 Interest, penalty charges, and administrative costs.

(a) The Commission will assess interest on unpaid claims. The rate of interest assessed shall be the rate of the current value of funds to the U.S. Treasury (*i.e.*, the Treasury tax and loan account rate) as prescribed and published by the Secretary of the Treasury. The Commission will charge penalty fees of not more than 6 percent per year on any portion of a claim that is delinquent for more than 90 days. The Commission will also impose actual administrative costs to cover the processing and handling of delinquent claims.

(b) Interest on claims will be charged and will run from the date the notice of claim is mailed if the amount of the claim is not paid within 30 days from that date. Interest will be calculated only on the principal of the claim. The rate of interest charged is the rate in effect on the date from which interest begins to run. The rate will remain fixed for the duration of the indebtedness.

(c) The Commission may waive in whole or in part interest, penalty charges or administrative costs if it finds that:

(1) The debtor is unable to pay any significant sum within a reasonable period of time;

(2) Collection of interest or penalty charges jeopardizes collection of the principal of the claim; or

(3) It is in the best interests of the United States.

§ 143.4 Collection by offset.

(a) Whenever feasible, the Commission will collect claims under this part by means of administrative offset against obligations of the United States to the debtor.

(b) The Commission will notify the debtor in writing of its intent to use offset procedures to collect the debt unless the debtor agrees to repayment. The notice to the debtor shall include the type and amount of the claim and an explanation of the debtor's rights for records and review under 31 U.S.C. 3716(a).

(c) The Commission will seek to coordinate administrative offset with

other federal agencies in accordance with 4 CFR part 102.

§ 143.5 Collection by compromise.

The Commission may settle claims not exceeding \$100,000 (excluding interest) by compromise at less than the principal amount of the claim if—

(a) The debtor shows an inability to pay the full amount within a reasonable period of time;

(b) The Government would be unable to enforce collection in full through litigation or administrative means within a reasonable period of time;

(c) The cost of collecting the claim in full is not justified by the amount of the claim; or

(d) The Commission's enforcement policy would be served by settlement of the claim for less than the full amount.

§ 143.7 Delegation of authority to the Executive Director.

(a) The Commission hereby delegates, until such time as the Commission orders otherwise, to the Executive Director or to any Commission employee under the Executive Director's supervision as he or she may designate, authority to take action to carry out subpart A and subpart B of this part and the requirements of 31 CFR parts 900-905 and 31 CFR 285.11.
